

You are most welcome to visit our office in Amsterdam

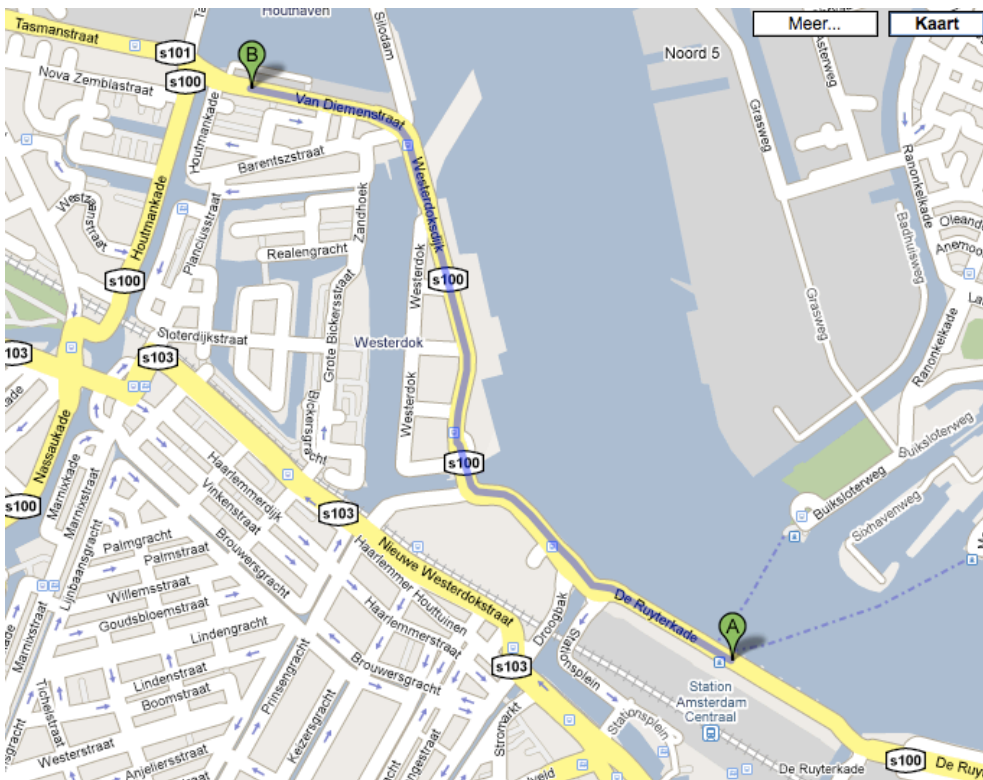

If you come by public transport there are several options:

1. A 20 minute walk from Amsterdam Central station:

- Take the exit at the rear of the station (facing the waterfront with the ferries)
- Cross the street, turn left at the waterside and follow the walkway along the river, going west (De Ruyterkade).
- Keep following the waterside through several bends in the roads (Westerdoksdiijk). You will pass a few building sites and some newly built residential housing and offices.
- After about a mile, the road makes a sharp turn to the left. This is where Van Diemenstraat starts. On your right hand side you will see a row of large converted warehouses. Our office is in the last one of these buildings.
- The entrance at number 410 is marked with a banner from “Veemtheater”
- Ring the bell for studio 1.23 at the door.

2. A 5 minute bus ride from Amsterdam Central station:

- Take the exit at the front of the station (facing the city centre).
- Turn left and pass the trams waiting at their stops.
- Beyond the trams you will see a bus station. This is where you can catch bus 48 or 353. They both pass through Van Diemenstraat. They leave every 10 minutes from the bus station.
- Ask the driver to tell you where to get out. The stop you need is ‘Barentszplein’.
- After leaving the bus you’ll be at the start of Van Diemenstraat. Just follow the road further up until you reach number 410. The entrance of our building is marked with a banner from “Veemtheater”
- Ring the bell for studio 1.23 at the door.
