

You are most welcome to visit our office in Amsterdam

Our studio is in the Spaces building on the Herengracht. A vibrant hub for the local creative industry. The exact address is: Studio 3.1, Spaces Building, Herengracht 124, 1015 BT Amsterdam.

If the weather permits, we suggest to just walk from Central Station. This is only 10 minutes, and a nice walk. The best way to reach us by public transport is to take tram 1, 2, 5, 13 or 17 from Amsterdam Central Station. It is a five minute ride to the stop at 'Nieuwzijdsloot' (second stop). For the Herengracht you then need to walk another a few more minutes, as indicated below.

Below a picture of the building for easy recognition across the canal. Don't forget to cross the bridge!
