

You are most welcome to visit our office in Amsterdam

Our studio is in the Spring House very close to the Central Station. This iconic 100-year-old building at the Amsterdam waterfront is a vibrant home for the local community of creative and cultural entrepreneurs, artists, strategists and researchers.

We recommend you use public transport as it is a 10 min. walk from the Central Station. On the map below you see how to get there.

This is a picture of the building, it has bright red coloured bricks!
