

You are most welcome to visit our office in London

We strongly suggest you use public transport. We're accessible both via the underground and overground lines with the closest stations being Liverpool street station for the Central line and Shoreditch High street for the Overground.

From Liverpool street station:

- Take the tube to Liverpool Street Station and exit the station onto Bishop's Gate.
- Turn left and follow Bishop's Gate up for about 450 meters, till you reach the junction between Shoreditch High Street and Commercial Street.
- You will see a grey building, called Unicorn House, on your left, with our sign outside the glass door.
- Press the buzzer for STBY and we'll let you in.
