Visit our office in Amsterdam

We are located at the Marineterrein in Amsterdam. It’s a 20 min walk from the Amsterdam Central Station to our office. It is recommended to visit us by foot or bicycle, because of the restricted access for cars to the Marineterrein.

1. Start your walk by exiting the Amsterdam Central Station at the IJ-zijde and turn right.

2. Cross the bridge (the water is on your left hand side).

3. Turn right to cross the road and take a direct left on De Ruijterkade.

4. At the end of the street, take the stairs to access the bridge.

5. Take the stairs down on your right after crossing the water. Turn left to cross under the train tracks and follow the road to the left.

6. After passing Mediamatic, turn right to walk across the bridge (Commandantsbrug) to the Marineterrein.

7. The building is directly on your right. To access our office, follow the water on your right hand side and take the second stairs at the end of the building.
